FULL ACCESS CABINETS

by Wellborn Forest

NOVA SOUTH Full Access cabinetry from Wellborn Forest is your solution to build beautiful spaces. Crafted with clean lines, smarter storage, and rock-solid durability in every cabinet.

FULL ACCESS, FULL POTENTIAL

NOVA SOUTH'S full access design eliminates the face frame, providing you with more usable space and easier access to your belongings; delivering the ideal balance of style, efficiency, and performance.

Cabinet Case (excluding the cabinet back) is constructed from $\frac{3}{4}$ " thick plywood with laminated natural maple wood grain interior. Exterior veneer matches door wood species and is finished to match when a finished end is specified.
